Marketing Automation: n8n, Zapier, Make.com (Integromat), API Integration, Webhook Configuration, HubSpot

AI & Content Tools: OpenAI API (ChatGPT), Surfer SEO, Frase, Jasper AI, Tesseract OCR, Prompt Engineering

Content & CMS: WordPress, Notion, Trello, Grammarly, Hemingway Editor, Google Workspace

MarTech Stack: Mailchimp, ActiveCampaign, Buffer, Hootsuite, HubSpot Marketing Hub

Technical: Python (automation), HTML/CSS (basic), REST APIs, Microservices Architecture, OCR Implementation

PROFESSIONAL EXPERIENCE

Content Marketing Automation Specialist, Apr 2025 – Sep 2025 · Contract

TechFlow Solutions | San Francisco, CA (Remote)

- Engineered a content marketing automation system integrating 12+ tools (Zapier, n8n, Semrush, WordPress, HubSpot, and Buffer), cutting production time by 65% and scaling monthly output from 8 to 40+ articles.
- Implemented an AI-powered content optimization pipeline (ChatGPT API + Surfer SEO) that improved average SERP rankings from position 18 to position 7 and drove 80% organic traffic growth in 90 days.
- Architected microservices-based automation workflows using n8n and Make.com, orchestrating 12+ platforms via REST APIs, webhooks, and scheduled triggers.
- Delivered 520% ROI within the first quarter by establishing scalable content operations with automated quality control, editorial workflow management, and cross-platform distribution.

AI Automation Specialist Oct 2025 – Dec 2025 · Contract

Obafemi Awolowo University Library | Ile-Ife, Osun State, Nigeria

- Built an AI-powered thesis processing system (n8n, Python, Tesseract OCR) that reduced metadata extraction time by 70–80% and increased monthly processing capacity from 200 to 1,000+ documents.
- Achieved 91% accuracy in auto-extracting 14 metadata fields from diverse thesis formats, eliminating a 3–4 month processing backlog.
- Designed microservices architecture with intelligent pattern recognition for digital and scanned PDFs, cutting per-document processing from 45–60 minutes to 5–15 minutes.
- Produced comprehensive documentation and training materials for non-technical staff, ensuring smooth system adoption.

SEO Specialist - Nov 2024 – Jan 2025

The Scoove Africa | Lagos, Nigeria

- Boosted organic traffic by 65% in 3 months through targeted keyword research, on-page optimization, and strategic internal linking across 50+ articles.
- Improved average SERP ranking from position 24 to position 9, driving a 40% increase in click-through rate (CTR) and generating 25,000+ monthly organic impressions.
- Conducted competitor gap analysis to identify 15+ high-volume keywords, contributing to multiple top-3 search results for entertainment queries.

Top-Rated SEO Content Writer & Strategist Jun 2022 – Dec 2024

Upwork (Freelance) | Remote

- Delivered SEO content strategy for Insight Media, implementing an empathy map framework that produced a 30.3% rise in overall traffic, 29.4% increase in domain authority, and 37.4% spike in newsletter opt-ins.
- Served as senior content strategist at Trybe City, driving a 15% increase in conversion rates via email list growth and KLT (Know, Like, Trust) strategy.
- Consistently delivered high-quality B2B and B2C SEO-optimized content on deadline across multiple concurrent client accounts.

Content Editor, Sep 2023 – Jun 2024

FinidiWrites | Nigeria

- Reduced content word count by 10% while preserving meaning and boosting SEO optimization, improving both readability and search rankings.
- Crafted content optimized for user experience and search algorithms, resulting in a 25% boost in conversion rates.
- Increased client satisfaction by 15% through meticulous proofreading, editing, and consistent delivery of error-free content.

Editor May 2023 – Oct 2023

Insight.ng | Remote

- Led editorial reviews that reduced content errors by 30%, enhancing the publication's reputation for quality.
- Collaborated with content creators and designers to produce text/visual content that increased user engagement by 25%.
- Implemented proofreading processes yielding a 40% decrease in errors and a 20% surge in reader engagement and social shares.

Web Content Writer Feb 2022 – Aug 2023

Insight.ng | Remote

- Produced SEO-optimized content contributing to a 15% reduction in bounce rate and improved user retention.
- Implemented XML sitemaps, robots.txt, and 301 redirects, achieving a 30% reduction in indexing errors and 25% increase in indexed pages (Google Search Console).
- Led technical SEO improvements resulting in 40% faster site speed, 20% better mobile responsiveness, and 10-position keyword ranking gains within two months.
